

Born and raised in Minnesota, received my BS Degree in Marketing from St. Cloud State University, moved to Atlanta in 1979.

The majority of my professional career of 30 years was in the medical field (Surgical Devices then Bio Technology), retired in 2015.

My wife Cindy (of 41 years) and I enjoy the Outdoors, we have no children but dogs have filled that void for us for all these years. I have been an avid BASS fisherman for 30+ years and have transitioned to Striper fishing in 2017, really have enjoyed the change in chasing Stripers and realize I have a lot to learn catching them.
